registration policies

Registration and Refunds: Registration is on a first-come, first served basis and students will be registered only upon receipt of payment and complete registration form. Registration will be accepted after a course has begun if space is available, but cannot be prorated. Refunds (minus a \$15 processing fee) for class withdrawals will take place no later than one week before the class begins. **NO REFUNDS WILL BE GIVEN PAST THAT DATE.**

Confirmation of Registration: If your class is cancelled due to low enrollment, you will be notified by phone or email.

Class Sizes and Cancellation: Enrollment is limited in most classes to 10 people. Some classes have smaller student limits due to space or equipment limitations. Pre-registration is required for all The ARTS Center classes and workshops for all ages. Minimum enrollment is required to run a class, and classes will be cancelled due to low enrollment, so register early and bring a friend!

Photography: The ARTS Center reserves the right to use photographs taken during classes and other programs for marketing and promotion of The ARTS Center. Any person who does not wish to be photographed, or have his or her child photographed is asked to notify The ARTS Center upon registration.

Classroom Materials: Although some materials are included in the cost of classes, some of our classes require additional purchase of materials. Look for your materials list at www.explorearts.org, under the listing for your class. Materials may be available for purchase from the instructor or local art supply and craft stores. Materials fees paid to instructor cover the cost of necessary materials and equipment for the course.

Inclement Weather: In the event of inclement weather, please call The ARTS Center to confirm that your class will be held.

*Class materials lists, maps and any additional information can be found on our website: www.explorearts.org
